5. Rūpnieciskā farmaceita loma

My Association Activity's Plans

Continuous Education & Collaboration

- Continue PV expert development activities
- Strengthen cooperation with the University of Latvia

Professional Growth & Networking

- Draft regulation to enhance industry pharmacists' competencies
- Organize training & networking event for wholesale pharma professionals

Communication & Visibility

- Ensure access to IPS/EIPG information
- Maintain and update IPS website

What we appreciate as being a member of EIPG

Informational Value

- Access to EIPG activity updates and strategic plans

Educational Opportunities

- Participation in EIPG-supported seminars

Networking and Support

- Recognition of similar organizations across EIPG countries
- Opportunities for collaboration and knowledge exchange

What we would need more from EIPG

Stronger Collaboration

- Greater support and experience sharing for IPS development

Inclusion and Access

- Friendlier participation terms for micro and small enterprises

Engagement and Visibility

- Visits from EIPG representatives to Latvia
- Promote EIPG membership value

Public Outreach

- Participate in public discussions on the pharma industry's importance in Latvia and Europe via media and events
